

ARTWORK ON LEFT

Punk Me Tender | *Tomorrow Was A Good Day* | 2017
photograph & mixed media in Plexiglass box | 66" x 48"

LA-based, anonymous artist Punk Me Tender's piercing hybrid art celebrates desire and exposure of the human soul. Often exploring freedom through black and white photography layered with vibrant color and raw mixed media, Punk Me Tender's works and persona examine the relationships between public vs. private, hidden vs. shown, and obedience vs. rebellion.
